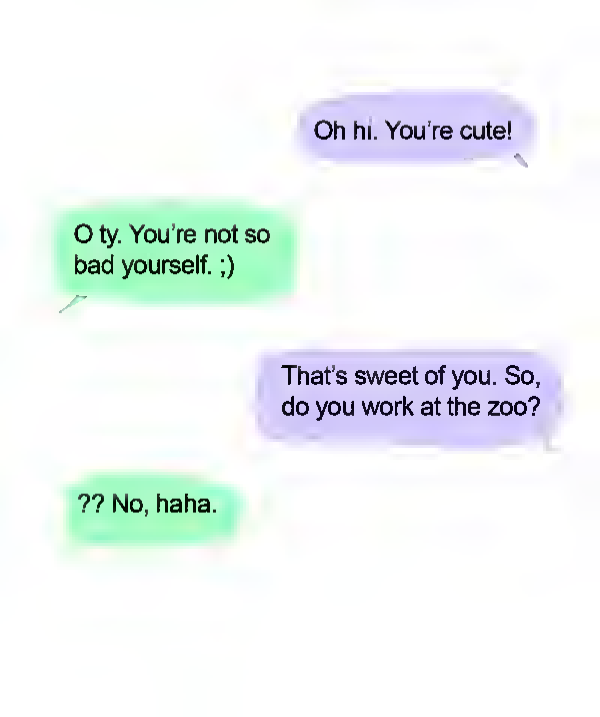
BEHIND the GIFs

WITH AC STUART



Oh hi. You're cute!
O ty. You're not so bad yourself. ;)
That's sweet of you. So, do you work at the zoo?
?? No, haha.

I don't normally message guys who don't fill out their profile but you're super cute so I made an exception. But all of your pictures seem like they're from the zoo.

Yeah I don't work there, I live there. What's your favorite superhero movie?

You live at the zoo?? lol

Yeah. I think Iron Man is the best Marvel movie, Winter Soldier close second.

So you live there but you don't work there? I don't understand Is it an internship or something?

I don't know, they just won't let me leave. But they feed me and it's p chill so whatever.

Your profile says you play games, do you play Overwatch?

Are you joking?

No, Overwatch is pretty popular, I just wondered.

I'm so confused, lol. Do you take care of that ugly monkey?

???

The one you're with in all your pics. Some of them are just of the monkey. Is he like, your monkey?

...

lol what?
